Indemnity and signature (must be completed by all rally entrants on behalf of themselves and their passengers)

In consideration of the acceptance of this my/our entry, I/we agree that the organising committee or its associated organisations will in no way be responsible for any damage to a participating vehicle, its parts, accessories or occupants personal effects, or for any damage caused by any such participating vehicle. Any entrant or participant by entering, driving or being driven in this event, shall therefore waive the right of action at law against the committee, its associated organisations, and their responsible agents.

Rally Booklet: the Rally Committee will be producing a full-colour booklet with information and pictures on all vehicles entered in the Rally. It will be provided to all Rally entrants as part of the entry fee. The Rally Committee will request vehicle details and pictures later in 2012, and it will be preferable to receive this information electronically (by email).

Schedule of rally activities: the Rally will start with a short run on the afternoon of Sunday 10 March 2013 and finish with the Official Presentation Dinner on Friday 15 March 2013.

Accommodation: Entrants are responsible for making their own accommodation arrangements.

As in past Veteran motoring events hosted in Canberra, this Rally will be headquartered at the Canberra Motor Village (CMV). The CMV is located at 2 Kunzea Street, O'Connor, ACT, 2602.

We highly recommend all Rally entrants stay at this excellent facility. To that extent, the CMV is already holding aside accommodation for entrants in this Rally. This should be done as soon as possible to ensure that your arrangements are locked in, otherwise you might miss out.

Please contact Katie Stonham (Groups Manager) at the CMV for all accommodation bookings, on 02 6247 5466 or groups@canberravillage.com and mention the 2013 Veteran Car Rally or Nick Nowak.

If you encounter any problems with booking your accommodation at the Canberra Motor Village, please contact Nick Nowak on 02 6282 4090 or nowakn@netspeed.com.au and he will try to assist you.
